PART FOUR

Campaigning

Campaigning

- Can commence any time
- Generally no rules around campaigning or conduct, but:
 - Can't use council resources for campaigning (logo, branding, colours, RDC FB or twitter feed, photos, council buildings, council staff)
 - Voting papers should not be collected from electors by candidates or their assistants
- Election expenses for campaigning must be recorded and declared in a return after the election
- **Any campaign material** (signs, posters, billboards, flyers, ads, cars, social media) **must have an authorisation** from the candidate or their agent, stating their name, and physical address
 - Not a PO Box, Private Bag, rural number, website address, council's street address
 - Must be on the front of the sign or promotional material (not the back)
- Any content of signs is subject to ASA guidelines and complaints process – must be factual
- **Usual rules of defamation apply but don't complain to the EO if you don't like what someone says about you!**

Social Media

Beware of Social Media! During the three month election period:

- Council's social media channels will unlike / unfollow all candidate social media channels
- Candidates must not link their own social media channels (if they are used for campaigning purposes) to the Council's social media channels, and must ensure that they have the appropriate authorisation
- **RDC social media channels cannot be used for electioneering by candidates or members of the public – will be constantly monitored and strictly enforced**
- Any post - positive or negative - made by any individual specifically relating to their own or someone else's nomination, intention to run for Council or election campaign, will be removed
- Council's social media channels will remain neutral. Council will promote elections and the importance of voting but will not associate these posts with any candidates
- During the lead up to elections, the current Mayor and Councillors may be used in social media posts where it is appropriate and is considered 'business as usual' to use them.

- **The cost of framing for a sign is not an election expense**
- Complaints made to RDC's Enforcement Officers – not the EO or DEO

Electoral Donations

- No time limit on when donations are received, every donation to be recorded
- You don't have to accept a donation – be careful of reason for donation
- Must be included in candidate expenditure return
- No such thing as an “anonymous” donation if you know who it has come from:
 - someone can't give a donation and ask for it to be treated anonymously
 - anonymous means you don't know who it came from, can't reasonably work it out
 - A third party who passes on a donation must disclose who the donor is
- An anonymous donation cannot be over \$1,500:
 - if it is, candidate can't keep balance over \$1,500, it must be given to EO to pass onto Council
 - a donation made up of contributions (e.g. to a trust) is treated as one donation, and can't be over \$1,500 if anonymous
