| Closed |

The following CANNOT be disposed at our Waste Transfer Stations:

Car Bodies - unless they are broken down into small manageable pieces (i.e. can be lifted by one person).

Asbestos - is not accepted at any WTS. Enquiries to Midwest Disposals Ltd, Bonny Glen (06) 327 5620.

Animal Carcasses and meat cuts larger than 20kg are not accepted at any WTS. Enquiries to Midwest Disposals Ltd, Bonny Glen (06) 327 5620.

Other materials deemed to be hazardous may be refused by the site operator.

WASTE TRANSFER STATION

INFORMATION

Recycle today for a better tomorrow...

2024/2025 *

Recycling

Glass

Glass bottles and jars can be recycled at all Waste Transfer Stations (WTS) in the Rangitikei District. The system allows for users to recycle glass according to its colour. Colour sorting ensures used bottles and jars are recycled into new bottles and jars.

Green waste

A green waste disposal service is available at the Marton, Bulls, Taihape, Hunterville & Rātana WTS. Green waste is charged at approximately half the actual waste disposal fee - a subsidy is applied to all green waste. When dropping off green waste, please remove concrete, steel and other non-green waste items and dispose to landfill.

Prohibited green waste items are:

- Flax, Cabbage Trees, Palms, Agapanthus and Bamboo
- Branches over 250mm thick
- Food and kitchen waste
- Concrete and stones
- Dirt/ Soil
- Treated wood waste
- General rubbish

Scrap metal

A wide range of scrap metal is accepted at transfer stations in the district, free of charge. Please note a fee may apply if scrap steel incurs handling charges. Please ensure items are primarily metal. Site attendants may decide to refuse scrap metal if there is too much non-metal material, such as concrete.

Refrigeration

Refrigeration items incur a degassing charge at transfer stations (\$30 per unit).

Gas in refrigeration items contains chlorofluorocarbons (CFCs), which is an ozone destroying gas. NZ is a signatory of the Vienna Convention 1985 and as such is required to extract CFCs from any items at disposal, not allowing the gas to escape into the atmosphere.

Other items for recycling

- Tins and cans, washed
- Plastic containers with number triangle 1, 2 and 5 - wash and squash (tops removed)
- Paper free from food scraps and not waxed or plastic coated

| | |
|--|------|
| Glass bottles/jars - colour sorted | FREE |
| Metal (charges may apply) | FREE |
| Paper/cardboard - Marton, Bulls, Taihape and Rātana WTS only | FREE |
| Plastic containers - Types 1, 2 & 5 wash and squash (tops removed) | FREE |
| Cans/tins - washed | FREE |
| Gas spray cans - empty | FREE |
| Agrichemical containers (triple rinsed) | FREE |

e-Waste

Rangitikei District Council is removing electronic waste (e-Waste) from the refuse stream.

e-Waste can be defined as obsolete, broken or end of life electrical or electronic devices. This includes items such as TVs, computer monitors, desktop computers, key boards, servers, printers, scanners, fax machines, photo copiers, cell phones, laptop batteries, DVD and VCR players. TVs and old monitors contain valuable metals and a large amount of toxic materials such as lead, mercury, cadmium and phosphorus. These heavy metals pose a serious threat to the environment and our health when not removed from the waste stream in a safe way.

There is a charge to recycle these electronic items. A Council subsidy is applied to help cover the costs.

** Please see our current Schedule of Fees and Charges for latest prices.*

Special rates for toxic/non-permitted items

| | | | |
|--|-----------|-------------------------------------|-------|
| TVs - CRT models | \$35 | Paint 4 litre pail (each) | \$4 |
| TVs / Monitors - LCD/Plasma models | \$25 | Paint 10 litres and over (each) | \$7 |
