Ngā Awa Block Fire Evacuation Procedures

This document outlines the procedures to be followed in a fire emergency. It is the responsibility of the hirer to appoint a Fire Warden to ensure safe evacuation of occupants should a fire occur.

Actions to take on discovering a fire

On discovering a fire, occupants are instructed to:

- Remove yourself and others from immediate fire danger.
- Alert other occupants and operate the nearest manual call point to activate the fire alarm.
- Dial **111** from a place of safety. State clearly the location – '**Ngā Awa Block, 30 Weka Street, Taihape.**'
- Report the location of the fire to the Fire Warden.
- Proceed to the assembly point in Field 3 adjacent to the building.
- Follow instruction of the Fire Warden and/or Fire and Emergency NZ (FENZ).
- Do not re-enter the building until given the approval to do so by the senior FENZ officer.

Firefighting should only be attempted if conditions permit, and it is safe to do so. Fire extinguishers should only be used in the very early stages of fire development by persons who have been suitably trained in their use. Any person attempting to extinguish a fire is to have their location reported to the senior FENZ officer.

Fire Warden duties

The person assuming the responsibility of Fire Warden is to perform the following duties:

- Uplift and wear Fire Warden identification. This is a hi-visibility vest with the words 'Fire Warden'.
- Complete a methodical check of the building (room by room) instructing occupants to immediately evacuate via the nearest exit.
- If anyone needs assistance to evacuate, appoint people to help them as necessary.
- Search all common spaces (including bathrooms) to ensure that all occupants have evacuated.
- Once a methodical check of the area is completed and spaces are clear proceed to the assembly point in Field 3 adjacent to the building.
- Upon the arrival of FENZ personnel, advise them of the evacuation status and notify them of any persons that are injured or trapped in the building.
- Inform occupants of the 'all clear' once this is given by the senior FENZ officer.
