RANGITĪKEI DISTRICT COUNCIL

Vehicle Crossing Application

SITE LOCALITY PLAN

Important Information:

- A sketch, or an engineer's/architect's site plan, or similar, that shows all the property boundaries to scale is to be provided in all cases. Please attach any additional pages
- Please show the proposed vehicle crossing location relative to the side boundaries, complete with dimensions.
 Also include the location of other features that may affect the proposed location of the vehicle crossing including: trees, power poles, streetlights, transformers, drainage pits and manholes, fire hydrants or service valves, redundant vehicle crossings etc.
- The contractor must complete a Dial Before U Dig application
