Local Government Official Information Request

Thank you for your request for information from Council. All requests to the Council for information are required to be considered in accordance with the Local Government Official Information and Meetings Act 1987 (LGOIMA). More information about how the Council handles LGOIMA requests can be found in the Council's LGOIMA Request Policy, which is available on the Council's website.

Your request for information was received on 19 August and related to reversing "blanket" speed limits. Our response is below:

1. As a Road Controlling Authority, can you tell me at this stage:
 - How many speed limit changes will need to be reversed? [even an approximate number would be really helpful]
 - And if possible, an estimated cost to do so?

Response:

RDC have not implemented any blanket speed limit changes apart from those relating to safety improvements around schools, therefore there are no speed limits within our district that could be reversed following a rule change.
