Recommendation

That the Chair's Report – August 2022 be received.

Marton Community Committee (MCC) Chair's Update - 10 Aug 22

Thrive Spaces and Places - Have been commissioned by RDC to develop a Strategy to inform the next 30-years of facility provision in the Rangitikei. The Strategy will provide council and the Rangitikei community an understanding of the current position and potential to respond to community needs for parks, open-spaces, active recreation and sports facilities. The Strategy will provide RDC with a framework to support decision making and prioritisation of projects across the district when making decisions about the level of investment in both construction and ongoing maintenance of those facilities. A number of clubs and organisations have been surveyed to collect info on them and their facilities.

Pip and I spoke with Leanne Stewart to give input on Marton as well as other Rangitikei locations, plus suggested other entities to contact to gather input.

Santoft Domain Management Committee - John and I attended their meeting on Wed 27 Jul. They are in the early stages of a project to construct a building at the domain which will have facilities to hold meetings as well as having a BBQ area. They also hope to work with the Blooms on Bastia Group to achieve plantings of a variety of Protea and Iris from the historic Bell Garden at 115 Mt View Road, Bastia Hill, Wanganui.

Plentyful - Are holding a seminar on Thu 8 Sep 10am at Bulls Community Centre, (\$51.75 which includes lunch). Speakers: Wayne Mulligan, Craig Nash, Kevin Snowden, Jayden Klinac, Alec Foster and Mark Gaugler plus Johan Potgieter. To register email: kim@plentyful.co.nz

Welcoming Communities - Aly Thompson has left RDC, Rhianna Flaherty is the Welcoming Communities Officer, she has advised the Ministry of Business, Innovation and Employment (MBIE) have commissioned Allen + Clarke to evaluate the Programme. They will be conducting a survey to assess how well the programme is being implemented, how well it is working, and what improvements might help it to work even better. The surveys are due out +/-4 Aug 22.

Te Kotahitanga Community Hall - Their Chair (Rowena Gotty) got in touch to update that work is continuing to progress.

Health Network Meeting - The July meeting was well attended via zoom as well as in person. Their next session (Thu 25 Aug) will involve six 3rd year Otago Medical Students.

Election - I have spoken to two people regarding standing for Council, both are still deciding.

Wilson Park Development Group (WPDG) - I managed to talk to Tim Wilson, Secretary of WPDG regarding his email which presented as sharing information. He advised the intention of his communication was to ask MCC for a donation. He also said the lack of contact details had been done deliberately.

Small Projects Fund

- WPDG, I have provided a separate Report which contains some background info (to update newer members of MCC), along with WPDG's most recent request.
- Community Patrol – Last update I received was their new vehicle was being worked on and still a few weeks away from being operational.

9 Mayoral Update

9.1 Mayoral Update - July 2022

Author: Andy Watson, His Worship the Mayor

Good afternoon,

I am able, for a change, to bring to the table some really neat things that have happened in our district - it's lovely to be able to celebrate our wins.

The first is not a Council win but rather an acknowledgement to two different groups -

I attended the Horizons Ballance Farm Environment Awards on 7 July and Rangitīkei cleaned up. There is a new award that was given to the Upper Moawhango Catchment Group (under the umbrella of Rangitīkei Rivers Catchment Collective) presented to Mark Chrystall and Roger Dalrymple who are the architects of not only the Moawhango Catchment but also the Rangitīkei-wide river improvement groups. The major award of the night, the Regional Supreme Award went to Richard and Suze Redmayne for their farm, Tunnel Hill out in the sand country at Turakina. They rightly deserved the award having a very fine understanding of their farm, the plantings for the environment and nutrient studies etc. Richard and Suze's entrepreneurship in Coastal Spring Lamb is widely known and respected.

The Mayoral Taskforce for Jobs has recently been given an increased budget for what is called the Mahi Tahī Employment Programme. This was an initiative started by four rural Councils including the Rangitīkei where over a year ago we were given \$500,000 per annum to find jobs for people. With that funding we were able to employ James Towers and start a collaborative relationship with Ngā Wairiki Ngāti Apa, MSD (through Louise McCoard - workplace broker) and Mōkai Pātea. The Government have looked to reduce that annual funding down to \$30,000 and we have argued strongly around the success of the programme. The end result is that we have been granted the right to apply for up to \$450,000 of funding for the next year and 29 rural Councils will be part of the programme – as I said we should celebrate our wins when we get them.

On 13 July I attended a presentation given by Minister Nash in Levin where he announced two pools of funding for our district. The first one was \$2m awarded to Plentyful for the co-funding of a coatings machine in Kensington Road. This is the next stage of our journey to take waste streams from forestry and milk processing to create bio-degradable plastics. Finally we will start to see construction. The second amount of funding went to Ngā Wairiki Ngāti Apa for the Harakeke Farm at Kaitoke where they received \$1.6m for their new strawberry hydroponic operation. Technically this is not in our district but we will be employing a huge number of our people so congratulations are also due there.

Finally we have been able to gain some wins around my concerns regarding road maintenance budgets which are set by Waka Kotahi. As earlier reported we have had \$10m over 3 years stripped from our road maintenance budgets and I, together with other Councils, have long argued that the withdrawal or lowering of maintenance budgets will inevitably see significant reductions in our road performance. Recently there's been a ministerial announcement that they will review the funding for roading maintenance and we need to be in there, boots and all, in progressing these conversations.

I have a further couple of acknowledgements to make. I recently attended the Vocational Expo held at Ngā Wairiki Ngāti Apa on Hendersons Line. This was a chance for secondary students at our

combined schools to look at what vocational careers are available to them. I was particularly taken by the construction and building programme with a near completed building and the chance to be shown around it by young people who were incredibly proud of what they had achieved. There were a huge number of other trades and occupations also being highlighted, ranging from cooking through to hairdressing/beauty.

I would also like to acknowledge the work that Francie Elgar has done at Mt View Cemetery. I was able to spend time recently with Francie where she showed me how she has undertaken the cleaning of graves and the installation of little poppies on headstones for all of those who have served in our armed forces. This is a classic case of someone seeing a need and just getting on and doing it. We are indebted to Francie for the work she has undertaken over a number of years.

Three Waters – I would ask people to please refer to the Council website which gives our Council’s response to the Three Waters legislation.

Recommendation

That the Mayoral Update – July 2022 be received.

9.2 Mayoral Update - June 2022

Author: Andy Watson, His Worship the Mayor

On 16 and 17 June Peter Beggs our Chief Executive and myself attended the LGNZ Rural and Provincial Sector Meeting in Wellington with all other Mayors and Chief Executives in this sector. Firstly, it was great to meet face to face as opposed to Zoom - the questions and answers with Ministers seemed to carry much more weight.

The Three Waters presentation from Minister Mahuta and the National Party spokesperson Simon Watts was incredibly interesting. My read of the Labour presentation was that legislation will be presented with pace and while the Minister acknowledged changes made to the proposed acts/laws were as a result of Local Government Working Parties, in essence little has changed. The Water Services Bill has now proceeded to the Select Committee stage and is open for submission. This Bill allows establishment of the new water entities and transition groups to allow for the entities to be established in 2024. The Minister has however made recommendations on price harmonisation or the ability to put into law the principles of cross-subsidisation. This area will be referred to the Economic Regulator which is yet to be established and this need has always been a key focus for me. Tina Porou, the Iwi Representative and Planner based in Turangi, had earlier given a passionate iwi perspective on the Three Waters in which she suggested strongly the need for local input from Councils to continue. On that basis I asked the Minister directly if the water entities could contract as separate companies back to the Councils to deliver services. Her answer was to take this “under advisement” – in other words either this hadn’t been considered or she didn’t have an answer. Regardless as to whether Council supported the Minister, people acknowledged she was passionate and working hard towards a programme.

Simon Watts, the National Party spokesperson for Local Government, has a background in funding and finance and he gave a presentation at speed based around what people wanted to hear. “We will repeal the Three Waters legislation and we believe that the Government will act too slowly to give us the opportunity to allow this repeal”. His key themes were –

- The scale and pace of the numerous reforms are too great and Local Government is under too much pressure, i.e. there is sector fatigue. He says that the reform agendas should be right size, one-size doesn’t fit all and there needs to be local ownership retention.
- However, and this is my caution, he accepts the need for reform and the National Party will put up an alternative model, a model that has not yet been explained. When asked, he stressed that the model should be developed with Local Government. He suggests that funding and finance (presumably from Government) should be targeted to need without explaining that which in effect raises many more questions.

My read was that the address was high on wanting to please but low on specifics. He took the opportunity to make a series of other points around the National Party’s vision including the need to fix immigration to allow for growth; to put in place 30 year infrastructural planning and acknowledging that rates are not a sustainable funding mechanism for Local Government.

Minister Parker spoke on the proposed RMA changes emphasising that they are needed because approvals/plan changes have become too expensive and take too long. No arguments from me here.

ITEM 9.2

The Rail Hub is a classic example of this. When I asked Minister Parker directly on who will fund the new regional structure he said that this was still to be worked out.

Of interest to the Rangitikei, Mayor Craig Little from Wairoa presented on the court case they faced with the forestry sector due to the introduction of a differential rate to forestry. The costs that they faced were high for a small council and while the court ruled in their favour there is a substantial risk faced by way of possible appeal. There is no fighting fund within Local Government to support small councils who have been targeted because they are small, which is a pity. I would suggest that we consider at least a small donation to Wairoa of \$2,000 because they have essentially done a lot of the work that we will need to do to prepare for a better implementation of our proposed roading differential for forestry.

There were a number of other presentations including LGNZ and I am hoping that they will be summarised to be available online.

Last Sunday the Taxpayer's Union roadshow rolled into Marton, requesting support to stop the Three Waters legislation. About 80 people turned up and the Taxpayer's Union basically passed the microphone to myself in what became a Q&A process. The meeting was fine, people were prepared to listen and certainly appreciative that Councillors Ash, Dalgety, Duncan and myself attended.

Over the last few weeks we have suffered heavy rain right across the district. This has seen localised roading issues and a significant event for Scotts Ferry. As the Amon's drain flooded Scotts Ferry was essentially cut off by water one-metre deep across the road. Normally access would then be possible through forestry roads but because of high winds and a number of trees down, the forestry roads had to be closed. The flooding around Scotts Ferry was a combination of local surface water and ground water. With changes in farming personnel, people did not realise locally that the available pump could be hooked up to tractors very early in the process. Council has funding to automate the pump for the future and this is something we need to follow through on.

Over the last few weeks the Government, through the Ministry of Social Development (MSD) have cut the funding for the Mayors Taskforce for Jobs available to our district. The Rangitikei was one of four trial councils for the Mayors Taskforce for Jobs – the success of the programme was astonishing and on that basis funding was rolled out to the now 29 councils. On the basis of the funding we have formed valuable relationships with iwi, we have based staff at Ngā Wairiki Ngāti Apa, becoming a centre also for Louise McCoard to work from. We will continue to fight for re-instatement of that funding. With all of the changes that Government is putting into place, the future of Local Government may well rest with a social function role and having established these relationships it would be an incredible pity if we were forced to revise them under funding constraints.

Recently I attended the Bulls & District Community Trust AGM. This is a chance for Council to give recognition to a community volunteer group that has for years raised enormous sums of money for our district. They have provided events, supported us through the pandemic and are a cornerstone of the Bulls community. I thank in particular the Chair Helen Scully and the committee.

We recognised the Samoan Independence Day on 5 June at Memorial Hall which is an annual event. It was fantastic to see the Hall that has recently been refurbished with the best part of 200 people celebrating their independence. The Church Service and fono lasted for almost 6 hours. The gathering also served as an opportunity to provide a farewell for Rev. Farani Vaa one of our local Samoan Ministers. Farani is being recalled to Samoa where he will be told where his next appointment will be, which I understand will either be in Australia or America. Farani has taken such an active role in our community, he has supported not only the Samoan community but those in need over the last few years and will be sorely missed.

Winter time is planting time for a number of our groups. I attended a Planting Day on 18 June for the B and C dams where quite a number of people arrived with spades and got stuck in and planted 600 additional natives as part of the walkway. They are holding a second planting day on 2 July and anybody that could attend would be appreciated. It was pleasing to note that some of the people who came to help were regular weekly walkers of the reserves. Not to leave Taihape out, the Hautapu River Park Collective are holding a community planting day on Saturday 13 August where they will be looking for people to turn up with spades to plant a significant number of natives and I would encourage anybody to attend. You don't actually have to live in Taihape or Marton to attend these things.

Disappointingly under the recently released budget, funding wasn't provided for passenger rail to any great extent. This puts into doubt the continuation of not only the capital connector network Palmerston North to Wellington but also future rail use. This was an incredible surprise to the region's Mayors and myself because with the focus on climate change and the move to alternative transport being pointed to by Government we expected increased funding. I attach as part of that a letter that I have signed on behalf of Council to Ministers Robertson & Wood.

Budget 2022: Regional trains for Lower North Island

We are writing to express our surprise and disappointment that the Government has chosen not to contribute funding for a fleet of hybrid electric trains in the lower North Island through Budget 2022.

As expressed in our November 2021 letter to you, we see this proposition as a key enabler to unlock access to affordable housing in our regions, while improving connectivity to employment, education, recreation, friends and whanau.

Further, this investment is completely aligned with Government policy on transport emissions and indeed your sentiment expressed in Budget 2022, “To Invest in the future and address the challenges of climate change”.

Minister, we are encouraged by your retention of half price fares for public transport until 31 August. We endorse permanently retaining this arrangement for Community Services Card holders. It makes an enormous difference to people who rely on our rail network.

To make this a worthwhile investment, however, we need to provide reliable, low-emissions transport services for the increasing number of people living across the lower North Island. We have great confidence in our business case that proposes the purchase of hybrid electric trains, and we thank the Treasury and Waka Kotahi for their assistance in putting it together. We will continue to pursue a commitment from the government to contribute to the \$760 million investment our case recommends.

We are now working against the clock to replace our fleets of 50-year-old regional rail carriages, which will soon reach the end of their working lives. The tender process for new trains must continue unabated so we look forward to engaging with you on finding ways to unlock Waka Kotahi and other funding for procurement.

Ngā mihi

The attachments mentioned in Tim’s email:

- *The Letter, is on Page 2 for MCC information*
- *The Plan is not included here as it is 21 pages long and is full colour, I also understand it has since been updated. I will bring a copy to the meeting.*

I explained at the 8 Jun 22 MCC meeting I was unclear as to the intent of the 29 Apr 22 email/letter as WPDC had already received support from MCC in 2021. Funding had been provided in response to an email Julie Turner sent for our attention on 20 Jan 21 (copy provided on Page 3).

Attachment to 22 Apr 22 email from Tim Wilson

To whom it may concern

My name is Tim Wilson, and I am the Secretary of the Wilson Park Development Group and we are looking to raise \$50,000 to match Rangitikei Council grant funding of \$25,000 in order to commence Stage 1 of the Wilson Park Development plan (see attached).

Wilson Park Development Group is made up of local volunteers who are proud to be a part of the Marton community and want to create more facilities for our families to enjoy.

Our vision is for Sir James Wilson Park is to grow into a family friendly attraction that will be enjoyed by all members of Marton’s community and the wider area.

This group has been operating since February 2021 and have raised just over \$11,000 through a range of community fundraising initiatives including sausage sizzles, raffles and donations.

I am writing to you to ask you to support Wilson Park Development Group by making a donation so we can accomplish our goal of reaching Stage 1 funding.

Thank you in advance for your contribution, it is of tremendous value towards making Sir James Wilson Park a place for local families to enjoy.

I look forward to your reply.

Yours faithfully,

Tim Wilson

The request of 20 Jan 21 was not forwarded to MCC by staff, but I became aware of the request when talking to Julie not long before MCCs Jun 21 meeting, see email below sent to RDC. At their meeting on 25 Jun 21, RDC approved the donation of \$1,000 to WPDG, to come out of the MCC Small Projects Fund (2021/22 budget).

The email below includes:

To get our project out in the community eye we would like to have a large sign created and installed at Wilson park giving an outline of our plans. Also some smaller portable weighted signs that we can use at events. Obviously these things can be costly. To this end we are requesting that The Marton Community Committee consider donating our group \$5,000 to pay for these signs and other set up costs and advertising as they arise.

RE Wilson Park.
Attention: The Marton Community Committee.

As The Wilson Park Development group we are very excited to see that the Harvest Festival is to be held at Wilson Park this year. This is a great way to support our ambition to upgrade and improve the facilities at the Park, especially in the Vicinity of the playground to start with.
Below is a copy of our Power Point of our plans. **Please note this is still in draft form.** There is a lot more detail and costs to be added to this.
After jumping through a multitude of hoops and scrambling through miles of red tape we are close to having our bank account opened. With the advent of Money Laundering this has been an extremely difficult process.
We have started our own fundraising with a garage sale, sale of pine cones and raffles starting soon. We are aware that this is small fry but it shows our commitment to the cause.
To get our project out in the community eye we would like to have a large sign created and installed at Wilson park giving an outline of our plans. Also some smaller portable weighted signs that we can use at events. Obviously these things can be costly. To this end we are requesting that The Marton Community Committee consider donating our group \$5,000 to pay for these signs and other set up costs and advertising as they arise.

I am happy to come to your meeting to speak to this matter.

Many Thanks,
Julie Turner

Hi Chris

Barbara is away for the next couple of weeks, I think she meant the ‘artwork as a PDF’ could enlarge to any size proportionally to A4?

The largest corflute we can print is 900mm x 1200mm – larger than this would have to be printed in pieces which would need to be joined and have some sort of backing support, I don’t think this would work very well, you would need 4 sheets.

Alternatively a better option may be a 450gsm PVC Banner at 1500mm x 2500mm, a different material but this would also need to be attached to a backing board – Sadhana Yoga on the corner of Stewart & High St has had one of these displayed for about 4 years.

1.5m x 2.5m PVC banner would be \$317.63 + GST

900 x 1200 Corflute sign would be \$141.05 + GST
