Rangiwahia, Mangaweka and Rangitira as an example. Our winter sports venues are located in Wanganui, Feilding, Marton Hunterville and Palmerston North. This means families have to travel a huge amount of kilometers to attend their games during the season, and unfortunately the cost of travel can be off putting or limiting to some families participating in winter sport. Hunterville Sports Club would like to use the Rural Travel Fund to purchase fuel vouchers to distribute to members' families to help ease the financial burden and effectively make sport more easily available to children in the Rangitikei.

Briefly explain what the funding is going to be used for:

This fund will cover some travel costs (fuel) to enable our players to participate in the Whanganui & Taihape Netball Centre competition which is held on Thursdays and Saturdays. Our kids who participate in Whanganui competition undertake a 3 hour return trip to reach the netball center (approx 220km return). All of our players come from rural schools surrounding Taihape. The distance to the netball centers varies, but we cater for kids who live in Waiouru, Papanui, Taoroa and Mataroa.

ATTACHMENTS AND SUPPORT DOCUMENTS

You may need to upload/submit attachments to support your application. This is very simple, but requires you to have the documents saved on your computer, or on a zip drive, or similar. You need to allow enough time for each file to upload before trying to attach another file. Files can be up to 25MB each; however, we do recommend trying to keep files to a maximum of 5MB - the larger the file, the longer the upload time. If you are not able to upload a document, please contact us for support (see contact details above).

Briefly explain what the funding is going to be used for:

Taoroa School, located around 25 minutes east of Taihape, faces challenges in providing sports opportunities for our students due to our isolated setting and other circumstances facing tamariki.

Our aim is to remove barriers and make sports accessible to all students as part of our long-term strategic plan.

Funding would allow our school to take teams into their regular competitions in Taihape and the wider Rangitikei area.

Many of our students have never played team sports before, so we see great value in offering these opportunities. We believe sport not only improves physical health but is also mana enhancing, teaches important life skills that build confidence and develop teamwork. We hope that by providing our students with access to support we will instil a love and passion for sport that will be carried through generations.

With funding, we can support our students' participation in sports competitions in Taihape and the wider Rangitikei area.

The Taoroa Taniwha school touch team plays every Friday from October through to the end of school in December. We propose using school vans to get the children in from Taoroa to Taihape where they play 2 games every week. The team is made up of approximately 15 school children. We also have a coach (parent) travels out from Taihape every Wednesday to teach the kids how to play. We have seen a huge increase in confidence from those involved in touch rugby and funding would help open up the sport to others as for many, travel is a huge barrier. We have also seen improved relationships between school and whānau as a result of sport bringing our people together.

The school also contributes 5 players to the Hunterville junior cricket team which plays every Saturday in terms 1 and 4 (16 weeks approximately).

This includes travelling from Taoroa school to Hunterville every Tuesday for cricket training and then also every Saturday around the Rangitikei area for matches.

The cricket team is 10 players and without Taoroa kids getting to Hunterville we wouldn't be able to enter a team in the competition. The tamariki involved in cricket have thrived on the social interaction, built resilience and learnt a huge range of physical skills. Funding will allow us to continue playing this sport.

Taoroa school netball team play in the Taihape Thursday night competition in town. We need to get a van load of children into town after school to enable us to enter a team in the Taihape competition. Netball is a great team sport, well suited to both males and females and tamariki as young as 6 can play, which is invaluable not only in terms developing new physical skills but making friends and creating strong connections. 2 years ago we had 1 student playing netball versus last year where we had 17. Maintaining this level of participation will rely on our ability to get our tamariki to and from the netball courts.

On Wednesday evenings there is soccer held south of Taihape for school aged tamariki. Soccer is not a sport many of our tamariki have considered because of difficulty accessing it. If funding is successful the school will provide transport to this competition which play every second week and train on alternate weeks.

For all of the above considerations except the cricket, we propose funding a driver for our school vans and also petrol contributions to get our children into touch, netball and soccer. Our school roll has almost tripled in size over the past 2 years and it's these opportunities that the tamariki are getting which is enabling us to grow and flourish while creating an excellent environment for everybody to shine as individuals and as proud members of the Rangitikei community.

Funding will make a huge difference in our tamariki's lives, with many being able to participate in team sport for the first time. Thank you for your consideration.

(Note: A large portion of our current equity (see balance sheet) is tagged for transport upgrades, classroom upgrades and teacher salaries).
