## 8 Chair's Report

### 8.1 Chair's Report - August 2022

**Author:** Ann Abernethy, Chair

#### Chairs Report – August

The current term for this Board is rapidly drawing to a close but, for health reasons, I will be not be seeking re-election. I have enjoyed my time as Chair and achieved many of the goals I set myself. The pandemic has presented some difficulties but I have continued to work to bring a number of projects to fruition.

The northern events board, the Coin Save upgrade and the concrete pads under the picnic tables at Quickstop will be completed before the end of this term.

I was privileged to be asked to attend the first workshop of Beca – a consultancy firm looking at the Taihape Memorial Park Spatial Plan. The purpose of the workshop was simply to look at where the Park is at now so this was just the beginning of a long process. Before the workshop I took the time to read the history of our Park and was impressed by the degree of community support to make a recreational area into the Memorial Park it is today. Enough funds were raised to also create a memorial garden and so consequently I visited the garden. I found it tidy and well-kept but feel an upgrade would be fitting especially the lettering on the plaque.

I have received confirmation that RDC will supply plants twice a year for the planter boxes currently being built by the Whanau Hobby Hutt. I am still collecting photos depicting the history of the railway and its importance to Taihape. I plan to have this complete before the end of the term. Taihape Civil Defence Response Plan has arrived in our mailboxes. Do take time to read through and be prepared. A big thankyou to all concerned in compiling it.

I have been working with TCDT in planning for Spring Fling and also the combined Gumboot Carnival and A&P Show day, January 2023.

Kia Kaha

Ann Abernethy ( Chair TCB).

#### Recommendation

That the 'Chair's Report – August 2022' be received.

## 9 Mayoral Update

### 9.1 Mayoral Update - July 2022

**Author:** Andy Watson, His Worship the Mayor

Good afternoon,

I am able, for a change, to bring to the table some really neat things that have happened in our district - it's lovely to be able to celebrate our wins.

The first is not a Council win but rather an acknowledgement to two different groups -

I attended the Horizons Ballance Farm Environment Awards on 7 July and Rangitīkei cleaned up. There is a new award that was given to the Upper Moawhango Catchment Group (under the umbrella of Rangitīkei Rivers Catchment Collective) presented to Mark Chrystall and Roger Dalrymple who are the architects of not only the Moawhango Catchment but also the Rangitīkei-wide river improvement groups. The major award of the night, the Regional Supreme Award went to Richard and Suze Redmayne for their farm, Tunnel Hill out in the sand country at Turakina. They rightly deserved the award having a very fine understanding of their farm, the plantings for the environment and nutrient studies etc. Richard and Suze's entrepreneurship in Coastal Spring Lamb is widely known and respected.

The Mayoral Taskforce for Jobs has recently been given an increased budget for what is called the Mahi Tahī Employment Programme. This was an initiative started by four rural Councils including the Rangitīkei where over a year ago we were given \$500,000 per annum to find jobs for people. With that funding we were able to employ James Towers and start a collaborative relationship with Ngā Wairiki Ngāti Apa, MSD (through Louise McCoard - workplace broker) and Mōkai Pātea. The Government have looked to reduce that annual funding down to \$30,000 and we have argued strongly around the success of the programme. The end result is that we have been granted the right to apply for up to \$450,000 of funding for the next year and 29 rural Councils will be part of the programme – as I said we should celebrate our wins when we get them.

On 13 July I attended a presentation given by Minister Nash in Levin where he announced two pools of funding for our district. The first one was \$2m awarded to Plentyful for the co-funding of a coatings machine in Kensington Road. This is the next stage of our journey to take waste streams from forestry and milk processing to create bio-degradable plastics. Finally we will start to see construction. The second amount of funding went to Ngā Wairiki Ngāti Apa for the Harakeke Farm at Kaitoke where they received \$1.6m for their new strawberry hydroponic operation. Technically this is not in our district but we will be employing a huge number of our people so congratulations are also due there.

Finally we have been able to gain some wins around my concerns regarding road maintenance budgets which are set by Waka Kotahi. As earlier reported we have had \$10m over 3 years stripped from our road maintenance budgets and I, together with other Councils, have long argued that the withdrawal or lowering of maintenance budgets will inevitably see significant reductions in our road performance. Recently there's been a ministerial announcement that they will review the funding for roading maintenance and we need to be in there, boots and all, in progressing these conversations.

I have a further couple of acknowledgements to make. I recently attended the Vocational Expo held at Ngā Wairiki Ngāti Apa on Hendersons Line. This was a chance for secondary students at our

combined schools to look at what vocational careers are available to them. I was particularly taken by the construction and building programme with a near completed building and the chance to be shown around it by young people who were incredibly proud of what they had achieved. There were a huge number of other trades and occupations also being highlighted, ranging from cooking through to hairdressing/beauty.

I would also like to acknowledge the work that Francie Elgar has done at Mt View Cemetery. I was able to spend time recently with Francie where she showed me how she has undertaken the cleaning of graves and the installation of little poppies on headstones for all of those who have served in our armed forces. This is a classic case of someone seeing a need and just getting on and doing it. We are indebted to Francie for the work she has undertaken over a number of years.

Three Waters – I would ask people to please refer to the Council website which gives our Council’s response to the Three Waters legislation.

## 10 Reports for Information

### 10.1 Upcoming Projects

**Author:** Ann Abernethy, Chair

#### Enhancement of Hautapu Street/SH1

This has become a joint project with Taihape Development Trust following a proposal from the Hobby Hutt the very successful after-school woodworking club. With convener Gary Johnston out of the country for a few weeks the students are working on design plans and building will commence again shortly. Murray Phillips RDC Head of Parks and Reserves has agreed to supply plants for the boxes twice a year with business owners responsible for their care. TCB is to notify Murray the measurements of boxes to enable him to judge the quantity needed. This project should be completed for the summer break.

TCDT has accepted the responsibility for the Information Board in consultation with the Community Board. The Trust has opted for a permanent board but with consideration of the time needed for construction we may need to re-address the issue of temporary boards. I will keep Board members informed as to progress. The plan is to have this completed before the end of our current term.

The photos to complete the Coin Save update have been chosen and are currently being worked on.

I have notified Murray Phillips as to arrangements made with local firm Concrete craft for the supply of the concrete pads under picnic tables at Quickstop Corner. This will be completed as soon as weather settles

#### Upgrade to Outback.

Our Dog Park continues to be very popular with both locals and travellers and although the Park is complete improvements can always be made. Requests from users of the Park include the provision of "doggie do" bags and a dispenser plus access to water. The Development Trust will provide the bags and dispenser while I am investigating the water situation on behalf of the Board. Extra seating with shade would be welcome also. It is very satisfying to be told by visitors that they plan their travel to enable a stop at Taihape's Dog Park and hopefully they support our local businesses also.

The Community Board plan to enhance the Outback further with a photographic display acknowledging the significance of the railways to Taihape. Planning is well underway and has been discussed with Daryl from Lasercraft so, once again, I would like to see this project complete before the end of our current term.

Events Boards The design for the northern events board has been chosen and work is to commence on this. Daryl will use the wording, font and colours planned by Michelle. The Community Board looks forward to the new signage and paintwork before turning our attention to the southern board.

In summary I note that the ideas for the above mentioned small projects have come from within our community. I thank the community for their input.
